

Certificate of Attendance

Daniel Domański

Physiotherapist

Birthdate: 22.07.1993

attended a two-week IMTA-approved **Level 2a** course (intermediate course) in the diagnosis, analysis and treatment of movement dysfunctions according to the Maitland® Concept. The final examination was successfully passed.

The course included lectures, training in thinking according to the Maitland Concept, practical work, patient demonstrations by the course instructors and the treatment of patients by the course participants under supervision.

Course dates: 5 November – 9 November 2019
16 February – 20 February 2020

A total of 80 course hours comprised of 60 minutes each, 8 hours of which were clinical work with patients under supervision.

(Corresponding to 6 ECT credits and 100 continuing education units in Germany)

Absences:

Participation in the continuing education course does not authorise the participant to teach the content of the course in other continuing education courses.
